It is with great pleasure for me to write these letter of appreciation to the family life office of Kumbo Diocese.

I received a very big gift from the family life office of Kumbo Diocese which will go a very long way to help me in ~~zincing~~ zincing my house or covering the roof of my house

after I had struggled so hard in putting the rafters in my house I was wondering as to where I will take zinc from to cover the rafters but thanks to God that I was very lucky to receive a gift of 50 sheets of Zinc from the family life office of Kumbo Diocese.

I am very very greatful for the offer and I pray the Good Lord continue to bless the family life office of Kumbo Diocese as they go about their good works.

THANKS

yours faithfully

Dear Benefactors,

AN APPRECIATION LETTER TO ST. JOSEPH'S PARISH-GERRALD CROSS-ENGLAND.

It is with great joy and profound gratitude that I write these words of THANKS to all the Parishioners of Gerrald Cross for coming to my assistance during these difficult moments in my life.

I am a widow for 11 years now and has only been surviving with my 6 children on farming. When the Anglophone Crisis intensified in February 2018 and the military started burning houses in Kumbo, I was one of the victims. My house was completely burnt down. I had to seek refuge some 2km away with one of my in-laws. Life has not been easy there in terms of Lodging.

Thanks to the Family Life office of Kumbo that came to me one day to assist me in roofing the house. They told me the assistance was from Gerralds Cross Parish through them to me. I wept with tears of joy. Now I am living in my house thanks to your support. May God continue to reward your generosity.

Yours Faithfully- Elfrida Beri.

Sir,  
A Letter of Appreciation

We wish to express our Profound gratitude to the Diocese of Kumbo, as a Whole for the great assistance that we received for the payment and care for our Son, Brother and Nephew Flavious Chumten.

The bill was actually huge (2,096,500frs) but to have covered 605,000frs from the amount brought great relief to our family and we really lack words to express our gratitude for this support.

We however, wish to thank God for your kind and loving gesture and pray that the good God who gave you this heart of Compassion will bless you mightily. May his grace continue to abound with you so that you can continue to be of support to many more who are victims of circumstances and are needy like Flavious Chumten.

Once more thank you so much and God bless and keep you as you continue with his Service

Thank You

### LETTER OF APPRECIATION

I have the honour most respectful to really appreciate you people for the gestures offered to our family when crises affected us. We were thirteen (13) of us living in our Sisters house that was burnt with all our belongings. For that reason, we only had to look for hostage at the Pastoral Centre Kumbo.

May God Almighty continue to bless you abundantly and replenish your sources.

God should give you the strength, zeal and
