

## How to register as a learner using the new LMS (volunteers)

See below – enter your full name (your official name linked to your DBS certificate/application enabling our records to link together) and email address, create a password, select Northampton diocese and add your role (see last page also) as either PSR or Volunteer Level 3, location of parish and name of parish. Group and department are optional and less relevance for our data records. Accept the terms and conditions and then select start your learning journey!
