Reaching Out campaign

A hall full of memories

Think of the times you have spent in our parish hall. A cup of tea after Sunday Mass. Celebrations after a baptism, a wedding or a First Holy Communion. The quiet gathering after a funeral.

As we enter this final stretch, it is wonderful to look back at why we embarked on this journey. Our new facility will be a modern, welcoming, and accessible space tailored to support everything that makes our parish thrive.

This hall will be a bustling hub where parishioners can find a place to connect, grow, and belong. We have already laid such a strong foundation; now, we just need one last collective push to get us over the line.

A home for parish life, our charities and the wider community.

The task: to raise the remaining

£270,000

What we have achieved so far:

£1.58 million

against our goal of £1.85 million

Your contribution is what turns a our cleared site into a finished hall.

£507,000
fundraising and donations by parishioners

£334,000
charitable grants

£339,000
sale of property in St Giles

£400,000
sale of residential land site

Thanks to your generosity, more than 85% has already been raised.

Can you help us with a corporate or personal donation?

Where our groups meet now

While we wait for our new hall, many of the groups you know are being obliged to go elsewhere

The project includes:

- **Chalfont Dementia Support**
  Wednesday café at St Peter's Church Hall
- **Through the Wardrobe**
  Our youth drama group – new premises for its classes

> "When I bring my wife to the Dementia Café the weight falls off my shoulders with all the support and care I find here"
>
> Carer for his wife

- **The London and Slough Charitable Trust**
  Volunteers still make soup and sandwiches for the homeless every Monday, from the First Committee Room
- **After mass activities and other gatherings**
  We are using the First Committee Room to its fullest and postponing other events

They belong here, at the heart of our parish.
Please help us bring them home.
